

# BEWARE: Phishing Scams!

WOW!

Don't fall  
for it!

## Don't take the bait!

Right now, organizations like yours are a major target in the eyes of online hackers, who could pose a serious threat.

If you receive an email, text, or voice mail asking you to do something with money or account access,

**STOP AND THINK!**

**Verify their identity by talking to someone!**

If you believe the message may be phishing, contact [support@lumestrategies.com](mailto:support@lumestrategies.com).
